

Stormtrooper Desk Tidy

The iconic helmet as a table-top organiser.

- Keep your stuff in a Stormtrooper
- Highly detailed surface and shape
- Replica of the original 1976 helmet
- Get organised, stay tidy, use the force

Designed for holding the things you use every day. Keys, glasses, phone, watch, loose change, and the contents of your pockets...

Andrew Ainsworth of Shepperton Design Studios originally created iconic characters such as the Stormtrooper in 1976. This product is modelled from the original helmets produced for the movie. Those originals were hand made, and not perfectly symmetrical. This wonky charm is intentionally replicated here!

Stormtrooper Desk Tidy

An idea by Suck UK Design Team
made by Suck UK

Mark E Smith once said "if it's me and your granny on bongos, it's the Fall". It's a lot like that here - if it's Sam & Jude and a revolving team of talented creatives, it's Suck UK. From the inception of the company in 1999 Sam & Jude have been the constant driving creative force, but none of that would be possible without a great team of designers and developers who turn these ideas into something great. Once a Sucker always a Sucker.
