

Skull Tongs

Stainless-steel kitchenware for tough chefs.

- Equally good for BBQ, bar or kitchen.
 - Suitable for working on a hot grill.
- Perfect for general use in any kitchen.
- Handle chunky cocktail ice at the bar.
 - Spring loaded for one handed use.
 - Brushed high-grade stainless steel.
 - Dishwasher safe and food grade.
- For bad-ass chefs, bar-tenders & barbequers.
 - Plastic free product and packaging.

Arguably the most indispensable tool in any chef's armoury. This pair of versatile utility tongs are suitable for flipping or turning food while cooking, removing food from boiling water and handling hot food from the oven or grill. Made from tough stainless steel with a scalloped head for better grip.

Skull Tongs

An idea by Suck UK Design Team
made by Suck UK

Mark E Smith once said "if it's me and your granny on bongos, it's the Fall". It's a lot like that here - if it's Sam & Jude and a revolving team of talented creatives, it's Suck UK. From the inception of the company in 1999 Sam & Jude have been the constant driving creative force, but none of that would be possible without a great team of designers and developers who turn these ideas into something great. Once a Sucker always a Sucker.
