It's well established that cats can't get enough sardines - but not even the most cat crazy, crazy cat person is going to put up with the smell of sardines stinking up the house every time tiddles demands dinner. Not to mention the stinkiest cat breath imaginable. We provide a compromise, all the satisfaction of noshing sardines direct from the can, without the actual fish. Just crack open a can of your regular gourmet cat dinner and serve it up in our ceramic sardine can. Tiddles will be dead impressed we promise.
