Chocolate chip socks by Eat My Socks

- Soft socks that are almost as satisfying as a warm chocolate chip cookie...almost!
- Featuring a golden cookie colour with chocolate chips.
 - 1 Pair of over the calf socks.

Who doesn't love chocolate chip cookies? No one! Chocolate chip cookies are the superior kind of cookies, and because of that, we've made these socks so you can let everyone know that you are part of the "Chocolate Chip Cookie Appreciation Club".
