

Beef Burger

Raw protein goodness by Eat My Socks

- Cleverly packaged to look just like real beef patties.
 - A carnivore dream.
 - 2 Pairs of over the calf socks.

In need of some foot comfort but tired of the same old, boring sock options? We've got something special for you. Our unique offering includes two pairs of socks, thoughtfully packaged to resemble beef patties. It's the ideal blend of whimsy and practicality, perfect for anyone who loves a dash of the unexpected in their everyday life.
