

Smiley Mug

Black & Yellow magic heat sensitive mug.

- Changes colour with heat.
- Starts as a plain black mug...
- Smiley appears with heat.
- Classic shape ceramic mug.

Amaze your kettle. Watch this mug magically transform in front of your eyes as you pour in the hot water. From boring black to lively smile as you make your hot brew. Then gradually transforms back to boring as your beverage cools.

 Please do not put in the dishwasher.

Smiley Mug

An idea by Suck UK Design Team
made by Suck UK

Mark E Smith once said "if it's me and your granny on bongos, it's the Fall". It's a lot like that here - if it's Sam & Jude and a revolving team of talented creatives, it's Suck UK. From the inception of the company in 1999 Sam & Jude have been the constant driving creative force, but none of that would be possible without a great team of designers and developers who turn these ideas into something great. Once a Sucker always a Sucker.
