

Big Book for Little Artists

Album for kids artwork.

- Cloth bound coffee table book.
- Blank for your kids artwork.
- Create an archive of art.

Create a coffee table art book from your child's pictures. Your kid may be the most talented 4 year old on the planet, but lets face it, there is only so much room on the fridge for your mini Picasso. Create an archive of all their best efforts and admire them for years to come (without ruining the feng shui of your kitchen).

Big Book for Little Artists

An idea by Suck UK Design Team
made by Suck UK

Mark E Smith once said "if it's me and your granny on bongos, it's the Fall". It's a lot like that here - if it's Sam & Jude and a revolving team of talented creatives, it's Suck UK. From the inception of the company in 1999 Sam & Jude have been the constant driving creative force, but none of that would be possible without a great team of designers and developers who turn these ideas into something great. Once a Sucker always a Sucker.
