

Chess Deluxe

Iron & Glory Wooden Chess Set

- Premium wooden board game.
- 34 heavyweight resin pieces.
- Two extra queens included.
- Classic black & white design.
- Rules of chess booklet inside.
- The storage box is the playing board.

Full size board and full size pieces. Sounds a lot like classic chess. Because it is. Classic chess with a serious upgrade. A premium wooden board paired with satisfyingly solid resin pieces, this is a set that earns a permanent place on the coffee table.

 Beautifully made and pleasingly weighty, the board feels as good as it looks, while the classic black and white pieces glide smoothly into position. Comes complete with a game guide, so beginners can learn the ropes and seasoned players can pretend they don't need it.

 All wrapped up in smart gift ready packaging.
