Plush Hot Dog Zip Pouch

Squishy wiener zip-up case.

- Hot Dog shaped pouch with gold zipper.
- Store stationery and other small items.

 A dog for your desk? It won’t bark. It won’t bite.
 It won’t need a walk in the rain late at night.   A soft, squishy sausage. A soft, squishy bun.
 A squiggle of mustard. Oh, this one’s well done!   Just tuck in your pens, pull the gold zip along,
 & your bits have a home that’s deliciously wrong.

Plush Hot Dog Zip Pouch

An idea by Suck UK Design Team

made by Suck UK

Mark E Smith once said "if it's me and your granny on bongos, it's the Fall". It's a lot like that here - if it's Sam & Jude and a revolving team of talented creatives, it's Suck UK. From the inception of the company in 1999 Sam & Jude have been the constant driving creative force, but none of that would be possible without a great team of designers and developers who turn these ideas into something great. Once a Sucker always a Sucker.
