Plush Pizza Zip Pouch

Squishy pizza slice zip-up case.

- Pizza shaped pouch with gold zipper.
- Store stationery or other small items.
- One of the three major food groups.

 I like mine with pencils. I like mine with pens.
 I like mine with bits that I’ve borrowed from friends.   I like a soft crust & a zip with some shine,
 For all of the small stuff I like to call mine.   No need for a plate, no need for a knife,
 Just one little slice of a tidier life.   So hold the anchovies & bring on the stash.
 My pizza takes make-up & keys & my cash!

Plush Pizza Zip Pouch

An idea by Suck UK Design Team

made by Suck UK

Mark E Smith once said "if it's me and your granny on bongos, it's the Fall". It's a lot like that here - if it's Sam & Jude and a revolving team of talented creatives, it's Suck UK. From the inception of the company in 1999 Sam & Jude have been the constant driving creative force, but none of that would be possible without a great team of designers and developers who turn these ideas into something great. Once a Sucker always a Sucker.
