Plush Sweetcorn Pouch

Squishy corn shaped zip-up case.

- Corn on the cob shaped zip case.
- Store stationery or other small items.

 An ear for your earbuds? Well, that’s rather neat.
 A cob for your pencils? Now that’s hard to beat.   With bright yellow kernels & leaves soft & green,
 It’s the handiest harvest that there's ever been.   It’s corny. It knows it. It’s making no fuss.
 Sweetcorn for small stuff? Sounds good to us!

Plush Sweetcorn Pouch

An idea by Suck UK Design Team

made by Suck UK

Mark E Smith once said "if it's me and your granny on bongos, it's the Fall". It's a lot like that here - if it's Sam & Jude and a revolving team of talented creatives, it's Suck UK. From the inception of the company in 1999 Sam & Jude have been the constant driving creative force, but none of that would be possible without a great team of designers and developers who turn these ideas into something great. Once a Sucker always a Sucker.
