Panda logic: half asleep, fully adorable. This one looks like it wandered in, got comfy, and decided to stay forever. Zero survival instincts. Maximum cuteness.

 Natural cotton tote bags with something going on inside. Each bag features a cute plush animal poking its head through a rough, frayed hole, like it's stowed away for the day and enjoying the view.

Functions like a tote / Feels like a companion / Explains nothing.

Peeky Panda Tote

An idea by Suck UK Design Team
made by Suck UK

Mark E Smith once said "if it's me and your granny on bongos, it's the Fall". It's a lot like that here - if it's Sam & Jude and a revolving team of talented creatives, it's Suck UK. From the inception of the company in 1999 Sam & Jude have been the constant driving creative force, but none of that would be possible without a great team of designers and developers who turn these ideas into something great. Once a Sucker always a Sucker.
