

Peeky Hippo Tote

Hippopotamus Head Tote Bag

- Natural Cotton Tote Bag.
- Cute Plush Character.
- Sturdy, Functional & Fun.
- Unusual Canvas Shopper.
 - Totes Adorable.

Unlikely. Unexpected. Utterly charming. A surprisingly gentle hippo peeking out as if it fits there perfectly (it doesn't). Big personality. Small hole.

 Natural cotton tote bags with something going on inside. Each bag features a cute plush animal poking its head through a rough, frayed hole, like it's stowed away for the day and enjoying the view.

Functions like a tote / Feels like a companion / Explains nothing.

Peeky Hippo Tote

An idea by Suck UK Design Team
made by Suck UK

Mark E Smith once said "if it's me and your granny on bongos, it's the Fall". It's a lot like that here - if it's Sam & Jude and a revolving team of talented creatives, it's Suck UK. From the inception of the company in 1999 Sam & Jude have been the constant driving creative force, but none of that would be possible without a great team of designers and developers who turn these ideas into something great. Once a Sucker always a Sucker.
