Peeky Dino Tote

Dinosaur Head Tote Bag.

- Cute Plush Companion.
- Sturdy, Functional & Fun.
- Unusual Canvas Shopper.
- Totes Adoreable.

Extinct? Not today. A tiny prehistoric head popping out like it missed the memo. Fearsome in theory. Ridiculous in practice.

 Natural cotton tote bags with something going on inside. Each bag features a cute plush animal poking its head through a rough, frayed hole, like it's stowed away for the day and enjoying the view. Functions like a tote / Feels like a companion / Explains nothing.

Peeky Dino Tote

An idea by Suck UK Design Team

made by Suck UK

Mark E Smith once said "if it's me and your granny on bongos, it's the Fall". It's a lot like that here - if it's Sam & Jude and a revolving team of talented creatives, it's Suck UK. From the inception of the company in 1999 Sam & Jude have been the constant driving creative force, but none of that would be possible without a great team of designers and developers who turn these ideas into something great. Once a Sucker always a Sucker.
