CONTENTS
Donut cards with trivia questions (3 questions per card).
Wooden 'Sprinkles'
OBJECTIVE
Take turns to answer questions, win Sprinkles and build the tallest Sprinkle-Tower.
PLAY
Shuffle the Doughnut cards and place them face down. The player to your left draws the top Doughnut and reads any one question aloud. Answer correctly and win a Sprinkle. Wrong answer and you win nothing.
STACKING
You must stack the Sprinkles you win! End to end into a single Sprinkle-Tower!
WINNING!
Take turns answering questions.

When the doughnuts run out, the player with the tallest standing Sprinkle-Tower is the winner.
TOPPLED!
As Towers grow taller they become likely to topple. If your Tower falls you must return ALL your Sprinkles to the pot.
SABOTAGE!
Instead of adding a won Sprinkle to your own Tower, nominate an opponent to add it to theirs in the hope that it topples.
ONE SABOTAGE PER PLAYER PER GAME!

You Donut!

An idea by Suck UK Design Team
made by Suck UK

Mark E Smith once said "if it's me and your granny on bongos, it's the Fall". It's a lot like that here - if it's Sam & Jude and a revolving team of talented creatives, it's Suck UK. From the inception of the company in 1999 Sam & Jude have been the constant driving creative force, but none of that would be possible without a great team of designers and developers who turn these ideas into something great. Once a Sucker always a Sucker.
