

Pot Black

Pool Ball shaped family card game.

- 2 Player card game based on Pool rules.
- A guy walks into a snooker hall and sees a dog playing. It's potting reds, using the rest, and clearing the table. He says to the owner, "That's incredible, your dog is a genius!" The owner shakes his head and says...

OBJECTIVE
 Be the first to pot 7 coloured balls and then sink the 8 Ball.
 Play one-on-one or as teams of two or more.

 PLAY
 Shuffle the cards into three piles:

Spots, Stripes and 8 Balls. First player chooses Spots or Stripes. The player chooses a category: Sport, History, Natural World or General Knowledge. Their opponent takes the first ball from their pile and reads the question aloud.

 POTTING
 Answer correctly to pot that ball and keep the card. A successful pot earns another shot. Move on to the next ball. Continue answering questions and potting balls until you either:
 - Miss a question, or
 - Qualify for the Black

 MISS
 When you give a wrong answer, your turn ends and you must retry the SAME QUESTION next time you are up!!

 FOULS

If you get totally stuck on a question you can 'give up'. Your opponent then gets Two Shots: Their turn does not end until they give two wrong answers. On your next turn try a different question on the same ball.

 ON THE BLACK
 Once you have potted 7 coloured balls, you are on Black. Black Ball questions are the toughest on the table. Pot the Black correctly and you win! Miss and your turn ends, but you remain on the Black for your next visit to the table. Foul rules apply.

 <s>Some questions contain Bogey

Answers.
 Giving a Bogey Answer is a foul. The next player gets Two Shots. Their turn does not end until they answer two questions incorrectly.</s>

 MULTI PLAYER

GAME - KILLER
 For larger groups shuffle all cards together.
 Each player starts with 3 Lives, a wrong answer loses a life. When you lose your last life, you're out of the game. Last player still at the table wins.

 DISPUTES
 If players disagree on an answer, the majority decision at the table stands.

Pot Black

An idea by Suck UK Design Team
made by Suck UK

Mark E Smith once said "if it's me and your granny on bongos, it's the Fall". It's a lot like that here - if it's Sam & Jude and a revolving team of talented creatives, it's Suck UK. From the inception of the company in 1999 Sam & Jude have been the constant driving creative force, but none of that would be possible without a great team of designers and developers who turn these ideas into something great. Once a Sucker always a Sucker.
