Mello colourful wooden four in a row game.

- Classic 2 player strategy game.
 - 42 coloured wooden balls.
- Instruction book with game rules.
- All in 1 design, the box is the game.

A classic two-player strategy game. Take turns dropping colourful balls into a vertically grid, aiming to be the first to get four in a row, either horizontally, vertically, or diagonally, whilst preventing your opponent doing the same. It's a game of tactical foresight, as pieces fall to the lowest available spot in a chosen column, making placement strategic.
