

Backgammon

Iron & Glory deluxe wooden game.

- 30 wooden playing checkers.
- 2 pairs of dice & doubling cube.
- Classic black & white design.
- Backgammon rules included.
- The box is the playing board.

Luck is the dancer, skill is the dance. Like life, Backgammon is a game of skill, chance, timing, resilience, optimism, disappointment and recovery.

 You control your decisions, not your circumstances.
 You can't control the dice. You can control how you respond.

 Good decisions can have bad outcomes.
 The correct move can still be punished by an unlikely roll.

 Bad decisions sometimes get rewarded.
 A reckless move can occasionally work out if the dice happen to cooperate.

 Recovery matters.
 Backgammon rewards resilience as much as good fortune.

 Timing is everything.
 Success depends not just on what you do, but when you do it.

 Classic full size board and full size pieces. A premium wooden box paired with satisfyingly solid pieces, this is a set that earns a permanent place on the coffee table.

 Beautifully made and pleasingly weighty, the board feels as good as it looks, while the classic black and white pieces drop into position with a satisfying clack. Comes complete with a game guide, so beginners can learn the ropes and seasoned players can pretend they don't need it.

 All wrapped up in smart gift ready packaging.
