Travel in Luxury and style with the Deluxe Edition of the original Scratch Map. It's name speaks for itself really! It is indeed deluxe! It has all the excellent features of the original Scratch Map but is larger, with more intricate detail and more style! It's black background with copper foil covering looks sophisticated and slick on any wall and the bright colours of the map underneath look smashing against it's stylish backdrop. The more stylish sister to Scratch Map® Original map – Scratch off Map Deluxe map comes with copper foil printed on beautiful matte finish black paper. Our most detailed map, Scratch Map® Deluxe poster also features fascinating info-graphics along the bottom, revealing a wealth of facts and information about the land and oceans, presented in an engaging and colourful manner. As with all Luckies Scratch Map maps, the Scratch Map Deluxe map comes in a high quality presentation tube, making it a great gift for any aspiring traveller, adventure addict or wanderlust obsessed explorer! Please use an eraser or fingernail to remove the foil, as metal objects will damage the matte finish laminate paper.
