Animal Sticky Notes

Cute critter sticky notes & page markers.

Parent and baby sticky notes. Write sensible memos on grown-up sticky notes, write cute messages on baby size notes (baby sticky notes also make great page markers). Elephants don't forget, little birdies always have something to say and of course ducks... well ducks just look darn cute. A great gift for busy families.

Animal Sticky Notes

An idea by Suck UK Design Team

made by Suck UK

Mark E Smith once said "if it's me and your granny on bongos, it's the Fall". It's a lot like that here - if it's Sam & Jude and a revolving team of talented creatives, it's Suck UK. From the inception of the company in 1999 Sam & Jude have been the constant driving creative force, but none of that would be possible without a great team of designers and developers who turn these ideas into something great. Once a Sucker always a Sucker.
