

Drum Kit Storage Tins

Handy storage for rockstars. Stackable & playable.

- Set of 3 drum tins
- The ideal way to organise your loose kit!
- Largest tin measures 19.6cm(W) x 9.1cm(H)
 - Can also be easily stacked

The perfect three piece set! The ideal solution to keep all of your loose kit in! Whether you're getting into a tidy rhythm, or drumming up some fresh cookies, these cases are definitely on beat. The set of three different sized tins enable you to store a wide variety of items, from building blocks to pencils and crayons. They can also be easily stacked on one another to keep your set even tidier. The best gift for the percussion enthusiast!
