

Fibre Optic Bottle Light

Add the perfect sparkle to your bottles.

- Cork shaped bottle light blended with vibrant fibre optics
 - Twist through a cycle of 7 bright colour options
 - Recharges via USB in 1 hour
 - Runs for 3 hours when fully charged

With 7 different colours to choose from, the iconic cork shaped bottle light, blended with super bright fibre optics, and USB rechargeable battery can brighten up any occasion. So whether you're creating a colourful table decoration for your wedding, or a glistening decoration for all your group get togethers, this will definitely bring a sparkle to the evening.

A shining design by Nick Forrester for SUCK UK.
