

Carpenters Level

Pencil with a built in spirit level.

- Wooden 2-in-1 workmans pencil.
- Easily pocketable for convenience.
- Square sided for accurate placemnt.

For those small jobs that require things to be straight and true – a new 2 in one tool that is both helpful, functional and beautiful. A standard carpenters pencil with the addition of a tiny spirit-level bubble. Even if you never put up a shelf or hang a picture this pencil is simply satisfying to hold and contemplate the perfection of a level edge. A great gift for those seeking balance.
