3m of Facts

Tape measure filled with fun stats.

- 10 foot auto-locking tape measure.
- Double sided for double the silly facts.
- 60 facts in dimension-based topics.
- Measure Metric (cm) & Imperial (inches).

Double sided, auto locking, measuring tape with fascinating dimension based facts and figures. Find out how big your things are compared to everything else. Ever wondered if an Oscar would fit on your shelf, or if the Mona Lisa would fit on your wall? Did you know fleas can jump 18cm… the equivalent of a human jumping 50m!, or that an emperor penguin wearing a top hat is as tall as a the front wheel of a Penny Farthing bicycle? A great gift for geeky grown-ups (or anyone who needs a tape measure).

 60 facts from the scientific to the ridiculous in cm & inches.

An idea by Suck UK Design Team

made by Suck UK

Mark E Smith once said "if it's me and your granny on bongos, it's the Fall". It's a lot like that here - if it's Sam & Jude and a revolving team of talented creatives, it's Suck UK. From the inception of the company in 1999 Sam & Jude have been the constant driving creative force, but none of that would be possible without a great team of designers and developers who turn these ideas into something great. Once a Sucker always a Sucker.
