

Concrete Pencil Pot

An angular storage pot to hold your essential items.

- An angular concrete pencil pot
- Designed to hold pens, pencils and other small items
- Measures 39mm(W) x 27mm(H) x 1mm(D)

A geometric solution designed to keep your small desktop items organised. Made from concrete it makes a solid base to store your pens, pencils, or loose change. Ideal for enhancing your home decor, or to bring some designer style to your workplace.
