Baking Apron Guide

An idea by John Caswell

made by Suck UK

John is a Designer based in Bristol, England. After graduating with a degree in product and furniture design he worked for several years as a Designer and Maker on projects ranging from TV and film sets to public artworks and exhibitions. He now spends his days designing retail spaces for leading clothing, sports and lifestyle brands. When not designing he loves riding his bike, getting out into nature with his wife and kids and producing dodgy electronic music!
