Elegant neon bottle opener by DOIY

- Add a holy addition to your barware.
- Choose between neon Green or Orange.
 - Metal bottle opener.

Holy Beer is a provocative design-led bottle opener. Its irreverent yet elegant personality will help you make a statement in your parties and dinners. It is made of metal and shaped as a Virgin holding a beer instead of praising. It's a wink to the feeling that having a fresh drink with your friends is a sacred moment. Its fluorescent color make it cool edgy and stand out as an accent piece in your kitchen, both decorative and functional.
